How to link accounts

1. Go to your e-INFRA CZ profile <u>https://profile.e-infra.cz/profile</u> and log in ("Přihlásit se").

2. In the search box find your home organization and log in via institution credentials.

3. To continue, accept sending the personal information requested by the service.

- 10. Link all of your Microsoft accounts you want to use for access to EOSC-related spaces in Microsoft (SharePoint, Teams, ...). Although we strongly recommend to use one primary (e.g. instututional) Microsoft account.
- 11. If you do not link more accounts, you can log out from the system via the icon in the top right corner.
