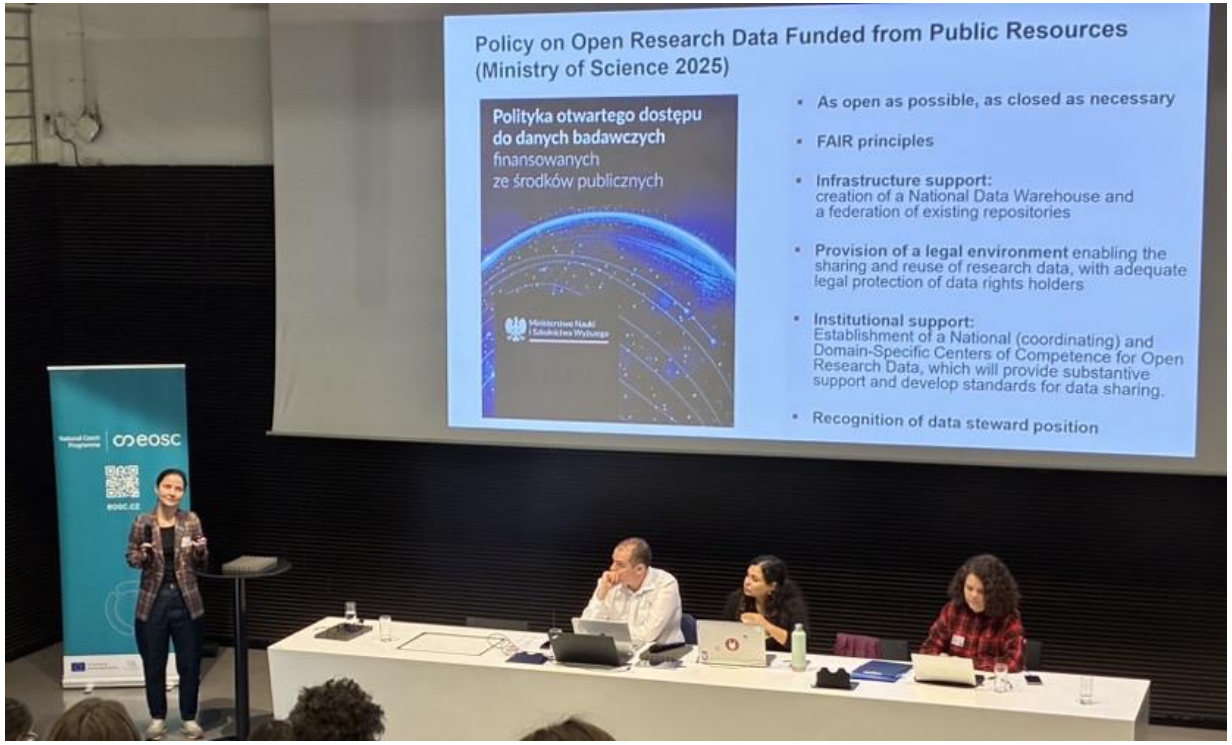
Data Stewards Community

- ✓ All the data stewards of CZ are welcomed to the Data Stewards community CZ, and not only!
- ✓ Our community also welcomes **people working with data, OS coordinators, group managers** and more.
- ✓ We are constantly **in contact with international DS** communities and we invite them not only to our discord but also to our in-person and online meetings.
- ✓ We also have a small *STEM DS subcommunity*.



Data Stewards Community

- ✓ Meetings in-person twice per year – national and international audiences
- ✓ In between online meetings of the community
- ✓ STEM DS online meetings with updates and meet and greet with international teams
- ✓ Constant exchange of advice and information through discord

National Repository Platform & DSW NRP

*Still in pilot mode, but **available to all*** (**within the e-INFRA infrastructure)*
